From M11 (J7), or A414 through Harlow or A414 from Ware (A10)

Once you arrive in Sawbridgeworth from Harlow, you will need to take a right-hand turn into Bell Street (Sawbridgeworth High Street). The turning is just before a set of pedestrian traffic lights and just after the 'White Lion' public house...

Ideally you should park your vehicle in the main 'Pay & Display' car park (the entrance to which is the first right-hand turning off Bell Street) and walk the rest of the way to the end of Bell Street.

When you arrive at the end of Bell Street, you will be at a cross roads with Knight Street, look across 'The Square' to your right, you will see an archway, between 'Mariposa' wedding shop and 'Wiggies' barber shop. Walk through the archway.

Brilliant are the last door on the left.
