

Visiting Brilliant

Directions By Rail

Sawbridgeworth Town Station is on the London Liverpool Street to Cambridge line, operated by National Express East Anglia. A taxi service operates from 'The Maltings' across the road from the station exit. To walk to our offices from Sawbridgeworth train station takes approximately 10 minutes.

Directions from Sawbridgeworth Train Station

Proceed west out of the station exit, with the Maltings buildings (commercial units with John Miles Tyre Centre nearest to you) on your left and over the 'River Stort'.

Shortly after crossing the road bridge and on a right-hand bend is a left-hand residential turning into The Forebury.

Proceed up the hill, along the footpath of the speed-humped road. This road will end, but continue along the footpath, picking up the road again and passing the primary school on your left and library on your right.

You will come to a T-Junction at Knight Street (with Barclays Bank on the opposite side of the street). Turn left and continue along Knight Street, until you reach 'Mariposa' wedding shop and 'Wiggies' barber shop. Walk through the archway between them.

Brilliant are the last door on the left.
